

Consideration of Lava Hot Springs FY 2022 Budget

Department: Parks and Recreation

Division: Lava Hot Springs

Description: Consideration of Lava Hot Springs Foundation Budget

Background:

S1123 was signed by the Governor on April 13th, 2021. This bill grants continuous appropriation for the two funds utilized by the Lava Hot Springs Foundation for relevant operating costs. As such, there is no requirement to provide an annual appropriation through JFAC as has been traditionally set.

JFAC Rule 16 states:

"Sine Die Adjournment: The Joint Committee shall adjourn sine die after consideration has been given to the funding requirement of ALL the statutorily-created departments, offices, programs and institutions of the state for which formal requests, made through established channels, have been made. Sine die adjournment shall require a majority of the membership present (there being a quorum) at the meeting. (Ref. Section 67-3514-3515, Idaho Code)."

Consideration for FY 2022 Budget to the Lava Hot Springs Foundation:

Motion:

"I request unanimous consent that the minutes reflect that the committee has considered the budget for the Lava Hot Springs Foundation, and pursuant to S1123 the ongoing budget is continuously appropriated and will not require further action for FY 2022."
